**Please register for the following courses:**

- EGR 101: Introduction to Engineering (2 credits)
- UNIV 101: College Success (1 credit)
- COM 8, 18, 20, 122, or 122NNS: Based on Composition Evaluation (CompEval) Placement (3 credits)
- MA 4 (4 credits) or MA 6: Beginning Algebra or Intermediate Algebra (3 or 4 credits)

**Please Note:** You will not be able to register for composition or math classes without completing the CompEval and the MOE unless you have received credit through Advanced Placement, International Baccalaureate, dual enrollment, or transfer credit.

Other evaluated credit supersedes the MOE and CompEval, so we suggest you take the MOE and CompEval while you wait for your AP, IB, or other credit to post.

Once new credit posts, you will get a notification in your “To Do List” in the Student Services Center of Campus Solutions. At that point, you can either self-register for the higher class or you can contact your academic advisor for assistance.

### Based on the results of the PSVT:R, please register for one of the following courses:

- EGR 120 or EGR 120 or EGR 120 or EGR 195A
- EGR 195A
