**AGGREGATE VERIFICATION-V5**  
**Parent Verification**

Your dependent students 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your dependents FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this verification document and with any other required documents. If there are differences, the FAFSA information may need to be corrected. The parent whose information was reported on the FAFSA must complete and sign this verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

**Important Note:** The instructions below apply to each parent included in the household. Notify the financial aid office if the parents filed separate IRS income tax returns for 2016 or had a change in marital status after the end of the 2016 tax year on December 31, 2016.

**Instructions:** Complete this section if the parents filed or will file a 2016 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2016 IRS income tax return information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed. For electronic filers, 2016 IRS income tax return information for the IRS DRT is generally available within 2–3 weeks after the 2016 electronic IRS income tax return has been accepted by the IRS and for filers of 2016 paper IRS income tax returns, the 2016 IRS income tax return information is available for the IRS DRT within 8–11 weeks after the 2016 paper IRS income tax return has been received by the IRS. Contact the financial aid office if more information is needed about using the IRS DRT.

**Section 1 Parents Income Information**

**Check the box that applies:**

- The parents have used the IRS DRT in FAFSA on the Web to transfer 2016 IRS income tax return information into the student's FAFSA.
- The parents have not yet used the IRS DRT in FAFSA on the Web, but will use the tool to transfer 2016 IRS income tax return information into the student's FAFSA once the 2016 IRS income tax return has been filed.
- The parents are unable or choose not to use the IRS DRT in FAFSA on the Web, and instead will provide the school a 2016 IRS Tax Return Transcript(s). (signature not required)
- The parents did not file and were not required to file a 2016 income tax return with the IRS. Complete the **NONFILERS** section below.

To obtain a **2016 IRS Tax Return Transcript**, go to [www.irs.gov/transcript](http://www.irs.gov/transcript) and click on the "Get Transcript by Mail" link, or call 1-800-908-9946. Make sure to request the "IRS Tax Return Transcript" and not the "IRS Tax Account Transcript." Use the Social Security Number and date of birth of the first person listed on the 2016 IRS income tax return, and the address on file with the IRS (normally this will be the address used on the 2016 IRS income tax return). In most cases, for electronic filers, a 2016 IRS Tax Return Transcript may be requested from the IRS within 2–3 weeks after the 2016 IRS income tax return has been accepted by the IRS. Generally, for filers of 2016 paper IRS income tax returns, the 2016 IRS Tax Return Transcript may be requested within 8–11 weeks after the 2016 paper IRS income tax return has been received by the IRS. **If the parents filed separate 2016 IRS income tax returns, 2016 IRS Tax Return Transcripts must be provided for both. Note: if your returns have a balance due there generally is a delay in accessing your tax return transcripts.**
