

Scholarship Release of Information Form

Please return this form **promptly** to the Financial Aid Office. Thank you!

Congratulations, the Embry-Riddle Scholarship Selection Committee has selected you to receive a scholarship for the 2016-2017 award year. This award was made possible due to the generosity of our donors and is based on your academic achievements, service to your community and your overall contribution to Embry-Riddle Aeronautical University.

This scholarship **WILL NOT** carry over into the following award years. You must re-apply each year to be considered for future funding.

Embry-Riddle Aeronautical University makes every effort to protect the privacy of your educational records. Scholarship donors very much appreciate knowing the students who directly benefit from their scholarship funds. By allowing the University to release your name, contact and academic information, you are helping us connect donors with our students. This simple act helps ensure that more ERAU students will continue to benefit from these generous gifts.

We would also like to share this information with offices and organizations that work so very hard to raise scholarship funds for ERAU students and for publicity releases. Your cooperation with the efforts of the Office of Institutional Advancement fundraising will help to increase the funds available to assist current and future ERAU students with their education.

By my signature below, I authorize release of my name, directory and academic information and email address on file with Embry-Riddle Aeronautical University to scholarship donors and others in conjunction with any University scholarships I may receive.
