

UnitedHealthcare®

Dear UnitedHealthcare **StudentResources** Insured;

Our records show that you were insured through a UnitedHealthcare **StudentResources** policy in 2018. As such, we're reaching out to you with important information that could impact your 2018 federal tax return.

The Affordable Care Act places the responsibility on the Internal Revenue Service (IRS) for administering the individual coverage mandates and associated fees should an individual not maintain minimal essential coverage. The IRS requires us, as the insurance company, to report to them, in January 2019, those insureds that have such coverage. They also require us to send a statement of coverage to the primary insured, the Form 1095-B.

In order to follow their directives, we must ask you to confirm your personal information that will be included in this reporting and the distribution of the Form 1095-B. The information needed is:

- Name
- Social Security Number (SSN) or International Tax Identification Number (ITIN)
- Date of Birth
- Mailing Address
- Email Address

You may also indicate if you do not have a SSN/ITIN to stop future requests.

In addition, we would like to offer you the opportunity to receive the Form 1095-B in electronic format. While you are confirming the above information in your **My Account**, you can elect electronic delivery of the Form 1095-B.

To confirm your information, please visit www.uhcsr.com/MyAccount and log in or create your **My Account**. Once logged in, select the **My Profile** link in the drop down menu in the upper right corner. Once your My Profile page is loaded, click on **Explore** in the Tax Info card. This page will allow you to review or submit your SSN or ITIN, notify us if you do not have one, and select electronic or paper delivery of your Form 1095-B.

You may also edit your demographics and/or update your Preferred Email address by navigating back to the My Profile page and clicking **Explore** on the Personal Info card.

After January 31, 2019, you will be able to access your Form 1095-B in **My Account**. The Form will be located under **Tax Documents** under the **My Coverage** tab. An email communication will be sent once the form is ready to be downloaded.

Thank you for your assistance in making this a smooth IRS reporting.
