Registration Rules and Course Equivalency Examination Information

Undergraduate Registration Procedures

Students in good academic standing (not on warning or probation) and whose records are free of restrictions may use web-based registration.

Eligible Juniors and Seniors are not required to see their academic advisor. **It is strongly recommended that you keep your advisor informed of the courses you are taking.**

Eligible Freshmen and Sophomores must meet with their academic advisor and obtain approval of their course selection. After approval, the advisor will release a registration hold, giving the Freshman student access to web-based registration.

Entrance into a closed class: The department chair or program coordinator for the course in question must approve entrance into any closed class. A signed registration or add/drop form must be presented to ERNIE Central for entrance into a closed class.

Graduate level course for undergraduate credit: Students taking a graduate level course to use for undergraduate credit must have the approval of the appropriate graduate coordinator along with that of their academic advisor. A Petition to enroll in a 500-level course for undergraduate credit (Not for Accelerated Programs) is also required and can be found in AP-14. A registration or add/drop form must be presented to ERNIE Central for entrance into a graduate course for undergraduate credit.

Add / Drop

Students may use web-based registration to make changes to their schedule (add/drop) through the first five days of class for Fall/Spring and through the first three days of Summer A, B and C. Students on warning or probation and who cannot use web-based registration are required to see their academic advisor for signatures and present an add/drop form to ERNIE Central. An advisor does not need to be consulted to change sections of the same course or to add a required lab. **Signatures from both the instructor and advisor are required on ALL drops after the 100% refund period.**

As changes are ongoing, there is no guarantee that the instructors listed will actually be instructing the sections as shown.

Graduate Registration Procedures

Continuing graduate students, whose academic record has no registration restrictions, are allowed to use web-based registration during the published dates. Graduate students required to take an undergraduate class must see their graduate program coordinator and must present a signed registration or add/drop form to ERNIE Central.

Course Equivalency Examinations

Students who believe they possess sufficient knowledge and who have not previously failed that particular course may apply to take a Course Equivalency Examination for a limited number of courses. Course Equivalency Examinations must be completed prior to the time the student reaches the last 30 credits for a bachelor degree. To apply to take an examination, students must contact the department chair responsible for the course.

A nonrefundable fee of \$500.00 is charged for administering each equivalency examination. Students may attempt each examination only once. Those failing an examination must register for the course in order to receive academic credit. Students who pass the examination will receive the full credit value for the course and the student's academic transcript will be noted appropriately.

Equivalency Examinations may not be administered for lab courses.

Course load status

Fall and Spring semesters - 12 credit hours constitute the minimum load for full-time student status.

Summer terms - 6 credit hours for each summer term is considered full-time student status.

Registration for additional hours above the block must be completed at ERNIE Central and requires the following signatures:

- students with a CGPA of 3.000 or higher, written approval must be granted by the student's Academic Advisor
- students with a CGPA of less than 3.000, written approval must be granted by the student's Advisor and Department Chair/designee
- 19 Credit Hours and above, written approval must be granted by the student's Advisor and Dean of their College
