I understand:

- I must have each applicable department's signature prior to taking this form to the Student Financial Services.
- If I live in University housing I must vacate such housing within 24 hours of the effective date on this form.
- Federal financial aid funds may be returned based on my withdrawal date.
- My withdrawal form does not negate my financial obligations to the University. A hold may be placed on my account preventing the release of transcripts until I have received financial clearance, for up to, but not to exceed, 30 days from the date of my withdrawal.
- If I intend to return to the University after withdrawing I must process an off campus petition prior to enrolling at another institution. Students who break status by attending another institution without permission will need to seek re-admission through Admissions.

I have read all the information on this form and verify, to the best of my knowledge, that all information contained herein is correct.
