

To Parents of Incoming Students:

When sending your child to college, you wish for the experience to be a positive one. While you can't be there for every challenge, you can do wonders by offering plenty of support—especially during that first year.

Our Campus Care Package Event was created to help you do just that. The first package is absolutely free—just fill out and return the attached order form and purple “Off to College” message card to make sure your student doesn't miss out. Your purchase of additional care packages helps to provide funding for educational, social, and recreational activities.
