

EMBRY-RIDDLE

Aeronautical University

FIRST Scholarship Application

The purpose of the Embry-Riddle FIRST Scholarship is to allow FIRST and Embry-Riddle Aeronautical University to recognize high school students who have displayed significant achievements in education and leadership during their high school career. The award will be up to \$5,000 annually to select participants of FIRST Tech Challenge (FTC) and FIRST Robotics Competition (FRC).

As a candidate for an Embry-Riddle FIRST Scholarship, the scholarship selection committee will review your academic records, standardized test scores, GPA, class placement, co-curricular and leadership activities, community service, and the scholarship application essay as part of the criteria; you must be currently participating in FIRST. This application is for first-year college students who plan on attending one of Embry-Riddle's residential campuses starting the fall semester.
