

# FROM JUNE 14 TO JULY 2 EDUCATIONUSA ACADEMY @ EMBRY-RIDDLE

## Why Embry-Riddle?

Embry-Riddle Aeronautical University is the world's #1 university for aviation and aerospace. International students will have a unique summer experience learning about careers in aviation, engineering, and business, through hands-on activities and trips, as well as learning everything about the university system in the United States. Students will write their entrance essay, receive advice from admission counselors, and tour multiple universities in the state of Florida.

Visit our website to apply. The cost is \$4,725 per student. (Excludes travel & visa.) **Partial scholarships available!**

Explore careers in  
engineering, aviation,  
and business

Improve your  
academic English
