- Attend the school whose I-20/DS-2019 you entered the United States on
- Know the expiration date of your visa and provide International Student & Scholar Services with visa renewals

- Carry full course load-12 credits for undergraduates, 6 credits for graduates. Follow correct procedures for less than full time course load

- Obtain travel signatures before leaving the United States
- Notify International Student & Scholar Services if you are leaving school for any reason
- Obey state and federal laws
- Check your ERAU email account daily for important notices and updates
- Do not delay in requesting immigration information from ISSS.

***All processes/requests in the International Scholar and Student Services Office takes 5-7 business days or longer. Waiting until the last minute may result in falling out of legal status.**

By law, ERAU is required to keep the following information on file: your name, birth date, place of birth, country of citizenship, current U.S. address, current academic status (including the start and end dates of your academic program), type of degree program and field of study, employment requests/approvals, termination date and reason, registration of the number of credits per semester, and copies of immigration documents and passport. ERAU officials are required to report any changes related to international students in SEVIS within 10 days.
